## **Pool Policy**

At Premier Physical Therapy we pride ourselves in exceptional care and fulfilling the needs for each one of our patients. Our pool is scheduled every hour on the hour to insure we give you an individualized program along with comfort and confidentiality. To ensure this continued quality of service could you:

- Please give at least a 24 hour notice for a cancellation
- Please bring a bathing suit (as appropriate swim wear helps minimize stress to our pool filtration system)
- As we do specifically schedule an Aide to be at the pool with you, after your 3<sup>rd</sup> last minute cancellation or No-Show we have the right to charge \$85 for each missed visit and/or discontinue service.

Thank you for your understanding and cooperation in this matter.
